

CALL FOR PAPERS
3RD JOINT MEETING OF THE U.S. SECTIONS OF THE COMBUSTION INSTITUTE
COMBUSTION FUNDAMENTALS AND APPLICATIONS
University of Illinois at Chicago
Chicago, Illinois USA
www.cssci.org

March 16 - 19, 2003

Papers describing current research on all aspect of combustion from fundamental chemical and physical processes to applications are hereby solicited.

Invited Papers:

- “Theoretical and Experimental Studies of the Mesoscale Response of Shock-Loaded Explosive Materials”, Dr. Mel Baer, Sandia National Laboratories
- “Building and Fire Safety Investigation of the World Trade Center Disaster”, Dr. William Grosshandler, National Institute of Standards and Technology
- “Turbulent Premixed Combustion: Current Knowledge and New Challenges,” Prof. James F Driscoll, University of Michigan
- “A Historical Perspective of the Trapped-Vortex Combustor”, Dr. W. Melvin Roquemore, Wright-Patterson Air Force Base

Panel Discussion:

- “Research Directions and Funding Trends”
Participants from NSF, ARO, ONR, AFOSR, NASA, & DOE/BES

Submit papers for consideration by sending a half-page **abstracts** to both ldchen@icaen.uiowa.edu and david.l.reuss@gm.com before 22 November 2002. Abstracts should be submitted as an attachment in MSWord format according to the abstract template on www.cssci.org. A poster session will be provided for late submissions that exceed the number of presentation slots. Authors will be notified of their status by 20 December 2002.

Papers must be submitted as attachments in postscript (.ps) format to cssci@nads-sc.uiowa.edu before 24 January, 2003. **Papers are not to exceed 6 pages AND 2 MByte**. Papers should follow the paper format listed on www.cssci.org. If you encounter problems with the email submission, please contact Prof. Lea D. Chen at 319-335-5674. A CD copy of selected papers will be provided to meeting attendees.

Student presenters are eligible for a stipend (one per paper). The stipend is \$50 for local student presenters, and \$200 for student presenters who are from a distance greater than 50 miles from Chicago. Submit requests for student stipend after the meeting to Tom Briggs at tbriggs@erc.wisc.edu.

Deadlines:

22 November 2002-- 1/2 page **Abstract** due
24 January 2003—**Papers** due.

Program Chair:

Lea-Der Chen
University of Iowa
